THE HUSSAR GRILL

EST 1964

The original Hussar Grill in Rondebosch first opened its legendary brass doors in 1964 and today, after 55 years of excellence, it is regarded as one of South Africa's premier grill rooms.

We go to great lengths to maintain our outstanding reputation by ensuring that we purchase only the finest quality produce. Our butchers and game farmers exclusively source South African Class-A grain-fed beef and venison for our South African menu.

We personally attend to the maturation of all beef, which is hung on the carcass for up to seven days, before being wet aged in our cold rooms for varying periods of no less than 28 days.

Our award-winning wine selection ensures there is a superb varietal to perfectly complement all our delicious meals, and to add to your extraordinary experience, you are always welcome to bring your own wine at no corkage fee.

To our family, friends and guests that have frequented our grill rooms for five decades, our genuine and sincere thanks for your loyal support and continued patronage, it is our wish that your time with us is always an absolute delight.

Enjoy your experience with us, and we look forward to welcoming you often in the future.

All pricing is in ZAR. Kindly note that a service charge of 10% is added to tables of eight or more. Please note that some of our products contain nuts and alcohol. Should you have any allergies, please speak to our management team.

STEAK GRILLING GUIDELINES

Blue ~

A completely red centre means a cool and deliciously pure inside, with an exterior seared for less than 2 minutes.

Medium ~

Blushing pink all over and slightly firmer, the delectable flavour remains, yet there are less juices.

Rare ~

Tender, warm and glowing red on the inside, seared for slightly longer with some juices flowing.

Medium Well ~

A dash of pink in the centre, this is a much firmer option with some tenderness lost from a more charred outside.

Medium Rare ~

The most popular choice, buttery and flavourful from the melted fat with a beam of red in the centre.

Well Done ~

Darkly charred on the outside with an evenly cooked centre, this will be slightly firmer with no juices flowing.

Wine List

We are proud recipients of a most prestigious Diners Club Platinum Status Award for our wine selection.

WINE SELECTION

In order to provide you with as much information as possible before finalising your selection, we have added the most recent available gradings from the *Platter's Wine Guide* to each wine. Please understand that our vintages are subject to availability from our wine farms.

A significant part of our Platinum Award status is owed to our careful selection of wines. It is a well-known fact that the 'terroir' – the soil, topography and climate – has a profound effect on the grapes producing the wine. It should come as no surprise then that all of our wines originate in the Western Cape – an area renowned for world-class terroir and home to the most revered wine regions in South Africa.
